INFORMATION FOR AUTHORS

Contributions to the biological and physical sciences of the Pacific area are welcomed from authors in all parts of the world. Manuscripts should be submitted online at <https://pacificscience.msubmit.net/>. The editor-in-chief will acknowledge receipt of each paper, arrange for its evaluation, and notify the author as soon as possible of the decision reached. *Pacific Science* is published four times per year (January, April, July, and January).

Manuscript Submission: Please submit your manuscript online at <https://pacificscience.msubmit.net/>. Visit the journal home page for more information and complete submission details: <https://uhpress.hawaii.edu/title/ps/>

Style: Authors are requested to follow precisely the style recommended in *The Chicago Manual of Style*, 16th edition (Chicago: University of Chicago Press, 2010). Abbreviations of periodicals listed in bibliographies should be those recommended in the BIOSIS Serial Sources. This publication may be ordered from the following address: 2100 Arch Street, Philadelphia, Pennsylvania 19103-1399, USA.

Illustrative Matter: A reasonable number of illustrations, tables, and graphs will be accepted

if they are needed to clarify and illustrate points discussed in the text. If original artwork is submitted, it must be executed in black ink and must be no larger than 8½" by 11". Illustrations in color will be accepted only if the author bears the costs of color printing. Please keep in mind that the final printed size of figures and tables is determined and limited by the format of the journal—each one will be one column (2⅝" or 16 picas) or two columns (5½" or 33 picas) wide or, occasionally, will be placed broadside (7⅞") on a page. Final artwork must be 300 dpi resolution for print. Number each figure and table separately in the order in which they are cited in the manuscript. Place the captions in the manuscript file, before the tables.

Proof: Author’s proofs should be corrected immediately and returned at once to the Journals Department, University of Hawai‘i Press. More than a minimum number of changes or additions to the printed text will be charged to the author.

Open Access: If authors wish to make their article available via Open Access, a one-time fee of \$1,800 is required.
