# PANTHEON+

Swan songs  
of stars  
harmonize into  
a ruler  
the one you would  
fiddle with  
on an elementary  
school desk  
wood or plastic  
of varying  
colors green  
purple or  
otherwise  
as the teacher  
expounds upon  
nuances of sums  
while in the  
distance suns  
lend definition  
to everything  
getting further  
away from  
everything

# FURL

We once shared  
a single space  
with the orange  
dahlia in the garden  
of the Rijksmuseum  
the caked cracks  
in dabs of paint  
depicting clouds  
layered last  
millennium  
and the hands  
that layered them  
with futures  
yet to unfurl  
and all pasts
