RECENT PUBLICATIONS

This list acknowledges recent works (except offprints of single articles) that appear to bear on the scientific study of language. The receipt of individual books cannot be separately acknowledged and no book can be returned to the publisher. Note especially that by accepting a book the Editor implies no promise that it will be reviewed in this journal.

Special note: Due to the ongoing effects of COVID-19, *Language* has been unable to receive physical book copies in a timely manner. To ensure that a publication receives notice on this page, please email the Book Review Editor with the full publication information.
